Extract from Admission Policy - Section 6

Procedure for allocating places if applications for enrolment exceed 100.

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice.

The number of school places in first year in any given school year will not exceed 100. Where the number of applications exceeds the number of places available, places will be allocated to on-time applicants in accordance with the following criteria:

1. Firstly, enrolment will be granted to siblings (including fostered children) of students already attending Edmund Rice College, Carrigaline and siblings of past pupils of Edmund Rice College, Carrigaline subject to the number of applications not exceeding 100. These applicants are deemed to be Category 1 applicants. The sibling must be attending Edmund Rice College, Carrigaline at the time of application and a past pupil is a pupil who completed either the Junior Cycle or Senior Cycle programme in the school prior to leaving it.
2. Secondly, enrolment will be granted to children of current staff members as well as current and former Board of Management members subject to the number of applications not exceeding 100. These applicants are deemed to be Category 2 applicants.
3. Thirdly, enrolment will be granted to all eligible students attending one of the following seven primary schools in no particular order of preference, subject to the number of applications not exceeding 100. These applicants are deemed to be Category 3 applicants:
 - Holy Well National School, Carrigaline (new school established in September 2020 following the amalgamation of Scoil Mhuire Lourdes, Carrigaline and St. John's National School, Carrigaline);
 - Gaelscoil Charraig Uí Leighin;
 - St. Mary's Church of Ireland National School, Carrigaline;
 - Carrigaline Educate Together National School;
 - Shanbally National School;
 - Ballygarvan National School;
 - Ringaskiddy Lower Harbour National School
4. Fourthly, enrolment will be granted to applicants who attend schools other than those listed above or are home schooled but who are resident in the areas of Carrigaline, Ballygarvan, Shanbally and Ringaskiddy subject to the number of applications not exceeding 100. The Board of Management reserves the right to seek proof of address. These applicants are deemed to be Category 4 applicants.
5. Fifthly, all other on time applicants subject to the number of applications not exceeding 100. These applicants are deemed to be Category 5 applicants.
6. Where applications are received from two or more siblings, if one sibling is allocated a place, all siblings will be allocated places provided the total number to be enrolled is not exceeded.
7. In the event that the number of applications exceeds 100, places will be filled by lottery. A separate lottery will be held for each of the categories detailed above. All applications will be checked to ensure they are placed in the correct lottery. All applications will be drawn from the lottery and either placed on the list of students being offered enrolment (to a maximum of 100 students) or on the waiting list. Students will be placed on these lists in accordance with the order in which they are drawn from the lottery drum.
8. Any vacancies that arise will be offered in strict numerical order to students on the waiting list.

9. Late applications will be processed only after all on-time applicants have been offered places and will be offered on a first-come, first-served basis. Late applications will be date stamped on receipt by the school. Applications received on the same date will be placed on the waiting list in order determined by lottery.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

Places will be filled by lottery. A separate lottery will be held for each of the categories detailed above. All applications will be checked to ensure they are placed in the correct lottery. All applications will be drawn from the lottery and either placed on the list of students being offered enrolment (to a maximum of 100 students) or on the waiting list. Students will be placed on these lists in accordance with the order in which they are drawn from the lottery drum.
