

Edmund Rice College, Carrigaline, Co. Cork – 3rd year book list 2022/ 23

3rd year students only need new textbooks for a very small number of subjects. It is very important that students keep their textbooks and copybooks from 1st and 2nd year – as detailed below – as the Junior Cycle examination is based on the work of 1st, 2nd & 3rd year. 3rd year students also need Junior Certificate examinations papers and these are listed below. They will be available in book stores and online in September. Most items on this list have the word “**keep**” in front of them – this indicates that the student has this items already and must keep it for 3rd year.
