6th year book list 2023/ 24

6th year students do not need many new textbooks. It is essential that all 5th year material (textbooks, notes, folders etc) is retained as material from both 5th year and 6th year will be examined in the Leaving Certificate examination. Students are advised to use heavy duty plastic zip folders to organise and store the textbook(s) for individual subjects along with the copybooks for each subject. Most items on this list have the word “**keep**” in front of them – this indicates that the student has this items already and must keep it for 6th year.
