Junior Cycle Book Scheme and Stationery Provision

Objective: This policy aims to outline the expectations of parents/guardians regarding the Junior Cycle Book Scheme and the provision of stationery packs by Edmund Rice College, ensuring the proper care of school property and addressing responsibilities in cases of loss or damage.

Note: Schools are operating the School Book Scheme on a predefined and limited budget as determined by the Department of Education.

Note: It is important to note that the budget, as determined by the Department of Education, is subject to change annually and so we cannot guarantee the same provision year on year.

Book Scheme:

- For school year 2024/ 25 all 1st year students will be provided with textbooks and a stationery pack under this scheme. For school year 2024/ 25 all 2nd year students will be provided with the additional textbooks needed for 2nd year (ie. textbooks they did not have in 1st year) and a stationery pack under this scheme. For school year 2024/ 25 all 3rd year students will be provided with past Junior Cycle examination papers and a stationery pack under this scheme.
- The books provided under the book scheme remain the property of Edmund Rice College at all times. These books are lent to students for the academic year and must be treated with care and respect. The school will re-use the books purchased under this scheme.
- It is the responsibility of parents/guardians to ensure that students handle the books with care to facilitate their reuse by the school in subsequent years.
- Parents/guardians must cover the cost of replacing any lost books and books damaged beyond ordinary wear and tear. This includes damage caused by negligence or mishandling.
- Books will only be replaced in *exceptional* circumstances and only when the budget allows.

Stationery Provision:

- In school year 2024/ 25 Edmund Rice College will provide a standard stationery pack for all 1st, 2nd and 3rd year students. This pack is intended to cover basic stationery needs for academic purposes.
- **Parents/guardians should be aware that the provided stationery pack may not fully cover the total stationery and equipment requirements for all subjects.**
- Additional stationery or specialised equipment required for specific subjects may need to be acquired separately by parents/guardians.
- Used and/or lost stationery is to be replenished/replaced by Parents/Guardians.

Responsibilities of Parents/Guardians:

- Parents/guardians are expected to support their child's education by ensuring they have the necessary materials for learning, including textbooks and stationery. This includes the safeguarding of books/equipment/stationery for the duration of Junior Cycle as per school policy.
- Regularly checking and monitoring of the condition of books and stationery items provided to students is encouraged. Any issues should be promptly reported to the school.
- In cases of loss or damage to books or stationery, parents/guardians should notify the school immediately and arrange for replacement or reimbursement as required.
- Financial constraints should not hinder a student's access to education resources. Parents/guardians facing difficulties in meeting these obligations are encouraged to communicate with the school to explore available support options.

School Support:

- Edmund Rice College acknowledges that unexpected circumstances may arise, and endeavours to work with parents/guardians to address any challenges related to the book scheme or stationery provision.
- The school will provide assistance and guidance as needed to ensure all students have access to the necessary resources for their education. However, **please note, schools are operating the School Book Scheme on a predefined and limited budget as determined by the Department of Education.**

- This policy will be reviewed periodically to ensure its effectiveness and relevance.
- Amendments may be made to this policy as deemed necessary by the school Board of Management, with consideration for input from relevant stakeholders.
